Thanks Diane. I will let KRCC folks know about this, and then confirm once Jamie has confirmed that we have an actual time slot.

Hello!

Thank you Jamie and Sarah for connecting with me earlier today. As I mentioned on the phone – we will have EPA staff around the afternoon of March 8<sup>th</sup> – we have a few updates we can share with the group. Currently I'm working with Jamie to get together at their new location – perhaps 3 or 3:30? We have a public meeting in Otsego at 6, so we would need to leave by 4:30 to set up.

Let me know if this is a go – below is the new address for KRWC.

Thanks!
